

Toni Braxton, Please

[1st verse]

I know you watching
All over here,
Tryna finda way to
Come into my situation,
But you should know this.
Its all good so be cool.
Tell your girl I dont care to fight
I got him locked, and he's all mine
So you should know better than
To think that you could ever put it down like I can.

[Chorus]

If he needs good lovin (I got it)
If I need to heat it up (I got fire),
Make sure I'm the best (for him) for (sure)
He's running home to me for it.
And he knows what ever he wants (that im with it)
And he knows the perfect place (to come get it)
And he knows that every woman's in me.
Fall back and just let me be.
I gots to breathe (uh oh, uh oh, uh oh) please,
Back up off of me
I gots to breathe and just be
Breathe, please, in case yall didnt hear me yeah yeah
I gots to breathe so let me breathe, please

[2nd verse]

You're in violation, let me help you understand,
Before we have a problem.
I will take it there
When it comes to my man
Please don't make me solve one.
Everyday is a holiday,
Everyday's our anniversary.
You should think about the time you waste
Cuz my last name ain't gon change

[Chorus]

If he needs good lovin (I got it)
If I need to heat it up (I got fire),
Make sure I'm the best (for him) for (sure)
He's running home to me for it.
And he knows what ever he wants (that im with it)
And he knows the perfect place (to come get it)
And he knows that every woman's in me.
Fall back and just let me be.
I gots to breathe (uh oh, uh oh, uh oh) please,
Back up off of me
I gots to breathe and just be
Breathe, please, in case yall didnt hear me yeah yeah
I gots to breathe so let me breathe, please
