

Toni Childs, I Just Want Affection

I just want affection
I want to feel you near
I want to know that you're real, yeah
That you are for real

They say I have a problem
They say there's something wrong, so wrong
With wanting and desire
This desire is strong
I just want affection
I just want to sweat
I'm wanting to feel
That life is real
Is there something wrong with that?
No no no

I just want affection
I want to feel you here
I want to know that you're real, yeah, yeah
And that I really do feel--

That you can love me
And I can love you
And you can love me
And I can love you

I just want affection
Can you help me please now
I need a desperate need of attention
Am I wrong for that? am i?
Is there something wrong with that?
No no

I just want affection
I need to sweat
I need to know
That this world, is this world
And I'm not alone
Is there something wrong with that?
No□no no
