

Tonic, Eyes Of Sand

I reminded someone who thought they knew me
That I hadn't changed at all
Wrapped up in a picture perfect package
That just stands up way too tall

'cause they see my world...
Oooh, through the eyes of sand

Surely there are good intentions
Smiles that we've failed to mention
Come along their intervention
Someone let you fell down on your knees

'cause I see your world...
Oooh, through the eyes of sand

We fall down down
From underground
See the world
Through eyes of sand

Walking past her
Baby, you're a h*art of stone

Walking past her
Baby, you're a h*art of stone

You don't know my way home
You don't know my way home
You don't know my way home
