

# Tonic, You Wanted More

Love Is Tragic  
Love Is Bold  
You Will Always  
Do What You Are Told

Love Is Hard  
Love Is Strong  
You Will Never Say That You Were Wrong  
I Don't Know When I Got Bitter  
But Love Is Surely Better When It's Gone

'Cause You Wanted More  
More Than I could Give  
More than I could handle  
In a life that I can't live  
You wanted more  
More than I could bear  
More than I could offer  
For a love that isn't there

Love is color  
Love is loud  
Love is never saying you're too proud  
Love is trusting  
Love is honest  
Love is not a hand to hold you down  
I don't know when I got bitter  
But love is surely better when it's gone

[CHORUS]

I got to pick me up when I am down  
I got to get my feet back on the ground  
I got to pick me up when I am down

[CHORUS]

You wanted more  
More than I could love  
More than I could offer  
The harder you would shove  
You Wanted More  
More Than I could Give  
More than I could handle  
In a life that I can't live
