

# Tony Bennet, The Way You Look Tonight

Someday when I'm awfully low  
When the world is cold  
I will feel a glow  
Just thinking of you  
And the way you look tonight

O but you're lovely  
With your smile so warm  
And your cheeks so soft  
There is nothing for me to love you  
Just the way you look tonight

With each word, your tenderness grows  
Tearing my fear apart  
And that laugh that wrinkles your nose  
Touches my foolish heart

Lovely never never change  
Keep that breathless change  
Won't you please arrange it  
Cause I, I love you  
Just the way you look tonight

Just the way you look tonight
