CAN YOU FIND IT IN YOUR HEART

Tony Bennett

I want your eyes to see my eyes

I want your lips to touch my lips

I want your love to be my love forever more

Can you find it in your heart to forgive me

I was thoughtless heaven knows I acted badly

But the love I once gave to you so gladly

Can you find it in your heart

Can't we make another start, please forgive me

I'm repenting and your arms alone can save me

So if carelessly I lost the love you gave me

Can you find it in your heart

Day and night I want your eyes to see my eyes

I want your lips to touch my lips

I want your love to be my love forever more

And never never more to part

Must you tell me that it's over, think it over

Though I once betrayed your love, forgive the treason

And my darling if your mind can't find the reason

Can you find it in your heart

REPEAT LAST VERSE

Can you find it in your heart
