Tony Bennett, Firefly

I call her Firefly Cause, oh, my She radiates moonglow Wants none of that noon glow She starts to glitter When the sun goes down

Bout eight p.m., it's mayhem She switches those brights up Lights up and gives me a call Take me to the Fireflies ball

But when I get her there Set her there Do I get to pet her there And grab me some glow

No, she's a gad about, mad about Luring every lad about While leaving me moaning low

Oh, Firefly, why can't I

Latch on for you no how Oh, how I love you but gee While you set the night on Firefly, shine a little light on me

But when I get her there Set her there Do I get to pet her there And grab me some glow

No, she's a gad about, mad about Luring every lad about While leaving me moaning low

Oh, Firefly, why can't I
Latch on for you no how
Oh, how I love you but gee
While you set the night on
Firefly, shine a little light on
Shine a little light on me
(in the mornin')
