

Tony Bennett, I Thought About You.

1. I took a trip on a train,
And I thought about you -
I passed a shadowy lane,
and I thought about you -
Two or three cars,
parked under the stars -
A winding stream -
Moon shining down on some
little town,
and with each beam -
The same old dream.

2. And every stop that we made,
oh, I thought about you -
And when I pulled down the shade -
Then I really felt blue -
I peeked through the crack,
and looked at the track -
The one going back to you -
And what did I do -
I thought about you.
