## Tony Bennett, I Thought About You.

1. I took a trip on a train,
And I thought about you I passed a shadowy lane,
and I thought about you Two or three cars,
parked under the stars A winding stream Moon shining down on some
little town,
and with each beam The same old dream.

2. And every stop that we made, oh, I thought about you - And when I pulled down the shade - Then I really felt blue - I peeked through the crack, and looked at the track - The one going back to you - And what did I do - I thought about you.
