Sung in the 1938 film "Goldwyn Follies" by Kenny Baker

Sung in the 1951 film "An American In Paris" by Gene Kelly

It's very clear, our love is here to stay

Not for a year but ever and a day

The radio and the telephone and the movies that we know

May just be passing fancies and in time may go

But, oh, my dear, our love is here to stay

Together we're goin' a long, long way

In time the Rockies may crumble

Gibraltar may tumble

They're only made of clay

But our love is here to stay
