

Tony Bennett, Strike Up The Band

Sweet Georgie Fame

Tony Bennett

Written by Blossom Dearie and Sandra Harris

Apparently no one ever charted this in the Top 100 but I like it nonetheless

Words and music are all that I need

I will follow wherever they lead

And I'm finding more fun in the game

A groovy boy has brought us joy, sweet Georgie Fame

Oh, I heard him one night quite by chance

Now wherever I'm walking, I dance

And London is not quite the same

'cause when it sings, the city swings, sweet Georgie Fame
