The shadow of your smile

When you have gone

Will color all my dreams

And light the dawn

Look into my eyes my love and see

All the lovely things you are to me

Our wistful little star

It was far, too high

A teardrop kissed your lips

And so did I

Now when I remember spring

All the joys that love can bring

I will be remembering

The shadow of your smile

Transcription by Robin Hood from memory using a recording by Frank Sinatra and making adjustments back to what he remembers that Bennett sang. (Sinatra had added some "curlicues" in his version.)
