

# Tony Christie, Yellow River

Solong boys you can take my place got my papers I got my pay So pack my bags and I'll be on my

Put my guns down the war is won  
Put my bags as the time has come  
I'm going back to the place that I love yellow river

Yellow river yellow river is in my mind and in my eyes  
Yellow river yellow river is in my blood it's the place I love  
Get no time for explanation got no time to loose  
Tomorrow night should find me

Sleeping underneath the moon at yellow river

Cannon fire triggers in my mind I'm so glad I'm still alive  
And I've been gone for such a long time to yellow river

I remember the nights were cool I can still see the waterpool  
And I remember the girl that I knew from yellow river

Yellow river yellow river is in my mind and in my eyes  
Yellow river yellow river is in my blood it's the place I love
