Tony DeSare, I'll Never Have Enough Of You

I've had enough subway trains
Take me down mysterious lanes
I've had too much I've had too few
But I'll never have enough of you

I've had enough of your all-night talks I've had enough angry walks Sometimes I've had it, haven't you? But I'll never have enough of you

Say you need me say you care Your love please do declare You're the one that I will always sigh for baby

I've played enough Monday blues Paid enough hard earned dues I may be crazy but it's true I'll never have enough of you

Say you need me say you care You're love please do declare You're the one that I will always sigh for baby

I've played enough Monday blues Paid enough hard earned dues I may be crazy but it's true I'll never have enough I'll never have enough of you
