

# Tony Rich Project, Nobody Knows

Wish I'd told her how I feel  
Maybe she'd be here right now  
But instead

I pretended I'm glad you went away  
These four walls are closin' more every day  
And I'm dying inside  
And nobody knows it but me  
Like a clown I put on a show  
The pain is real even if nobody knows  
And I'm cryin' inside  
And nobody knows it but me

Why didn't I say the things I needed to say  
How could I let my angel get away  
Now my world is just a tumbling down  
I can say it so clearly but you're nowhere around

(Chorus)  
The nights are lonely, the days are so sad  
And I just keep thinking about the love that we had  
And I'm missing you  
And nobody knows it but me

I carry a smile when I'm broken in two  
And I'm nobody without someone like you  
I'm trembling inside  
And nobody knows it but me  
I lie awake it's a quarter past 3  
I'm screamin' at night if I thought you'd hear me  
Yeah my heart is calling you  
And nobody knows it but me

How blue can I get  
You could ask my heart  
But like a jigsaw puzzle it's been torn all apart  
A million words couldn't say just how I feel  
A million years from now  
You know I'll be lovin' you still

(Chorus)

Tomorrow mornin' I'm hitting the dusty road  
Gonna find you wherever, ever you might go  
I'm gonna unload my heart and hope you come back to me  
Said when the nights are lonely

(Chorus) x3
