

Tony Rich Project, Nobody Knows It But Me

I pretend that I'm glad you went away
These four walls are closin' more every day
and I'm dying inside
and nobody knows it but me
like a clown I put on a show
The pain is real even if nobody knows
and I'm cryin' inside
and nobody knows it but me

Why didn't I say
the things I needed to say
How could I let my angel get away
Now my world is just a tumblin' down
I can say it so clearly
but you're nowhere around

Chorus
The nights are lonely, and the days are so sad
and I just keep thinkin' 'bout the love that we had
and I'm missin' you
and nobody knows it but me

I carry a smile when I'm broken in two
and I'm nobody without someone like you
I'm tremblin' inside and nobody knows it but me
I lie awake it's a quarter past three
I'm screamin' at night as if I thought
you'd hear me
Yeah my heart is callin' you
and nobody knows it but me

How blue can I get
You could ask my heart
but like a jigsaw puzzle it's been torn
all apart
A million words couldn't say just how
I feel
A million years from now ya know
I'll be lovin' you still

Chorus

Tomorrow mornin' I'm hittin' the
dusty roads
gonna find you where ever, ever you
might go
I'm gonna unload my heart and hope
you come back to me
said when the nights are lonely...
