

# Tony Sly, International You Day

I'm sorry that it took so long to write this song but I gave up  
You see one million words can't describe how it feels to know your love  
Where did I go wrong?  
I should have told you from the start  
that I'm closer then you think when we're apart  
Nothing that I've tried is as simple as this line  
But without you  
My life is incomplete  
My days are absolutely gray  
and so I'll try  
Let your heart know for sure  
that I have so much more to tell you  
every single day  
I swear I'm giving up my inside to the one that I adored  
I know this world is big enough for you and I but I'll give you more  
I'm coming home today  
to wipe the tears right from your eyes  
I'm totally enamored by your life  
Nothing that I've done has ever been for one  
but without you  
my life is incomplete  
my days are absolutely gray  
and so I'll try  
let your heart know for sure  
that i have so much more to tell you  
every single day  
My life is incomplete  
My rites are absolutely gone  
So wake me up  
before you leave today  
something I need to say  
Cause they'll be nothing when you're gone
