

# Tony Sly, Stunt Double

Here is another drink to cover every word you say  
Find excuses, it wasn't you there, sorry my mistake  
So here comes the part where the stunt double plays  
You ask somebody else to fallen blame  
Building bridges, play with matches, burning yourself down  
Find the exit before they get it, take the easy way out  
So here comes the part where your stunt double plays  
You ask someone else to take the fallen blame
