

# Tony Terry, With You

When I'm with you  
I hear a song  
That makes me laugh  
and smile  
and sing to you

When I'm with you  
I feel so free  
I feel that love  
is going  
to take control  
of me

When I'm with you

It's so real  
What I feel  
When I'm with you

When I'm with you  
I wonder why  
people just stop  
and stare  
and smile at us

When I'm with you  
The sun shines our way  
Maybe our love  
reflects its rays of light  
on everyone in the world

When I'm with you

It's so real  
What I feel  
Its ok  
everyday

Honey its so nice  
so right  
When I'm with you

Nobody but you  
Honey I love you

Yeah
