Tony Yayo Verse 1

I lay my pimp game down when it comes to these bitches

They do what I say and obey all my wishes

Wash all my clothes and clean dirty dishes

I turn a sweet bitch to a switchblade system

While you shop on melrose buy hoes shoes

now get ya ass on the track and get the dough for me

I'm the number 1 pimp so she chose me and my hoes where them ballers and rollers be

They collect them G's and they give em to me

I'm pimpin no perms just gators

pimpin I'll show ya how to stunt on them haters

pimpin forced them new cadilac

When you chasin them bitches I'm chasin the dough
