

Tonya Mitchell, Broken Promises

Oh oh, yeah yeah

Ohhhhhh

Broken promises, that's what you're giving me, broken promises

No more, lonely nights

Baby that's just what you told me (That's what you say)

But you're nowhere to be found

Something just ain't right

Cuz I can't get you to hold me (Here in my head)

Even when you're around

Baby you promised me

That you'd always be there for me

Tell me (Tell me) what's on your mind (Tell me what's on your mind)

What happened to the I love you's

The hugs and kisses and the ron-de-vous

What happened to me and you

You said you'd never change

What happened baby talk to me

You used to be sugar sweet just like candy

Now you're breaking my heart

With all your broken promises

Oh oh, yeah yeah

Broken promises

Broken

Broken promises

Oh oh yeah yeah

Ohhhhhh

Open up your eyes

Baby that's what people tell me (That's what they say)

But it's hard to let you go

I can't take your lies

If you're spending time with somebody else, then you gotta let me know

Baby you promised me that you'd never run a game on me

Tell me (Tell me) what's on your mind (Ohhhh)

What happened to the I love you's

The hugs and kisses and the ron-de-vous (ron-de-vous)

What happened to me and you

You said you'd never change (You said you'd never change)

What happened baby talk to me

You used to be sugar sweet just like candy (Just like candy)

Now you're breaking my heart

With all your broken promises

You say you're gonna do this (You say you're gonna do this)

And you say you're gonna do that (You say you're gonna do that)

But you never come through (But you never come through)

And something's different lately

Cuz you don't call me baby

And I just don't know what to do (I just don't know what to do)

Broken promises, that's what you've given me, broken promises'

Broken promises, that's what you've given me, broken promises'

Ohhhhhh

Broken promises

Broken promises, that's what you've given me, broken promises
