

Tonya Mitchell, I Represent

(say ya wa)

As far as I remember baby
It was you who said
It ain't working, let's be friends
And now you're trying to call back
But there ain't no chance
Let me help you pack your bags
It is not my destiny
To be played with by you, boy
I'm not some kinda toy
Unless there's an emergency
Don't call me up no more (no more)
I'm showing you the door
Cause

(Chorus)
I represent the girls who want that
The girls who say that
The girls who play that
Yes, I represent the girls who want that
The girls who say that
The girls who play that

Yeah (yeah) yeah (yeah) yeah (yeah)

You must think I'm crazy (crazy)
But I can't comprehend
That we can be till the end (end)
Still ain't nothing changing baby
What part of the end don't you don't understand
Whats this sense of urgency
It's something that you had
Ain't nothing like you had
You must watch too much T.V.
Cause this aint wonderland
I'm telling you again (again)

(Chorus)
I represent the girls who want that
The girls who say that
The girls who play that
Yes, I represent the girls who want that
The girls who say that
The girls who play that

Yeah (oh), yeah (yeah, yeah), yeah (girl that)
The girls who play that
Yeah (yeah) yeah (yeah) yeah (yeah)

T to the O to the N to the Y A
We're about to start doing this my way
What, your leaving and trying to come back
Listen up boy, a matter of fact

It is not my destiny (uh, uh)
To be played with by you, boy
I'm not some kinda toy
You must watch too much T.V.
Cause this ain't wonderland
I'm telling you again (again)

(Chorus)
I represent the girls who want that

The girls who say that
The girls who play that
Yes, I represent the girls who want that
The girls who say that
The girls who play that

(Chorus)

I represent (I represent) the girls who want that (want that)
The girls who say that (yeah)
The girls who play that (play that)
Yes, I represent (I represent) the girls who want that (oh)
The girls who say that (yeah)
The girls who play that

I represent (I represent) the girls who want that (want that)
The girls who say that (yeah)
The girls who play that (play that)
Yes, I represent (I represent) the girls who want that (oh)
The girls who say that
The girls who play that
