

# Too Bad Eugene, We Rock

they said, they said it's time to go go  
i said 'thank God' because the day had gone by so  
slow  
planning on rocking tonight  
and there might even be a fight, all right  
we rock  
we rock  
rock and roll  
we rock from hong kong to seoul  
we rock to the grave from the cradle  
rocking and rolling like the spinning of a dreidel

since chuckie sang about john  
and now it's still going strong, right on  
we rock  
we rock  
rock and roll  
we rock from hong kong to seoul  
sometimes we rock and roll for hours  
we rock all day and night and never take a shower  
some people go into shock  
that's just the smell of punk rock  
we rock

we rock  
we rock  
rock and roll  
we rock from hong kong to seoul  
we rock everyone we see  
we rock  
we rock  
rock do we  
we rock  
we rock  
we rock  
and they don't
