

Too Many Cooks, 19-8 Hutchinson

Love

Oh love

Eden love

Don't come here no more

Demons in my head

Tear me apart

Have some mercy

I said

I don't want to lose your love

Morning

Won't come

Now that you're gone

Hey! where you been last night

Pain

In my heart

Just won't stop

I'm burning up

I don't want to lose your love
