

# Too Phat, If I Die Tonight

Joe  
If I die tonight  
What would I do on my last day  
I know i'll wake early in the morning  
Crack of dawn's last ray

Will probably go for breakfast like I used to do  
Fried kuey teow F.A.M and roti canai at Raju's with my boo  
And friends from way back  
Neighborhood, homies, extended family  
Only know me as the same cat  
With that shaved head  
Rocking cross colours, sneaks the school  
Rocking rhymes at back of class  
Playing tricks on fools

Then I come back to the crib  
Tidy up a bit  
Y'all know my room's messy  
Though classy  
Start arranging my shit  
Line up my shoes one by one  
Start with Jordans and end with them Airforce ones  
Put a post-it on the tongue of each one  
With the name of each dun  
I think I know my homies and who would want which one  
Get on the phone and holler at everybody  
It's nearly noon gots to have lunch with the family  
I spend the last day, I don't know  
Try to do a million other things  
Hoping somehow time will slow  
I guess what I'm trying to say is  
Take everyday like it was your last  
And work towards your dreams before you pass  
And have a blast while you're at it  
'Cos we don't know when we're gonna go  
So make the best of it  
Just keep it real to yourself  
And to all people, if y'all lost somebody before  
Remember they'll be to see you

Chorus  
LiL Boogie

If I die tonight  
You know we'll be alright  
Just smile for me  
Reminisce the fond memories  
If I die tonight  
You know we'll be alright  
Just smile for me  
Reminisce the fond memories

Malique  
Well, if I die tonight  
I wonder where I'll be tomorrow  
Nobody cry, please push away the sorrow  
'Cos I have been the best of man  
The best of friends  
The best of mum and daddy's last son  
The best of anything  
Tell Joe here's the last one

If I die tonight

Will I be forgiven  
For all the people I've been slackin' with when i was livin'  
Those who I've hurt their hearts  
Took advantage of and even lied to  
Hug you one last time for forgiveness  
Yea, I would like to

If I die tonight  
Would you feel the loss  
Tomorrow would you dial my number by accident  
And then suddenly paused

If I died tonight  
I wonder who would get to keep my caps and shoes, jerseys  
Even my little stuffed crocodile, Coco too  
Get my cellphone, message everyone from A to Z  
Tell them this ain't Malique  
He passed away last night  
Pray he rest in peace

If I died tonight  
What wouldcha think of my room  
When you see blue  
Wanted to clean it up this morning  
But then I never knew

If I died tonight  
What would happen to Tim  
How long would it take before she kissed another man  
God damn  
At fast food joints  
Would you still order the same combo meal for 2  
Things I wish I knew

Repeat Chorus

Malique

A cute little thing to many eyes  
To me you were simply a beautiful thing  
I tell no lies  
We went from mere invisible friends  
To pals real tight  
A rendezvous'd upon  
And then a chit-a-chat all night  
I used to pick you up  
Until you got your own ride  
A slammin two door wheel  
A grey 3672 lookin' all sleek  
Remember when I asked why this  
You said because its real fast  
So you could rush to see your boy after class  
The last time we met  
Was 01 September  
You left feeling upset  
Over something I can't remember  
I never apologised til January 10th 2003  
When I heard you passed away  
When I was deep in my sleep

Your loss taught me not to take my friends for granted  
Misunderstandings gotta slam them quick  
Death you never plan it  
You're sorrowly missed down here  
Warwin rest in peace

This too shall pass  
But our true friendship will never cease  
Love

If I die tonight  
You know we'll be alright  
Just smile for me  
Reminisce the fond memories  
If I die tonight  
You know we'll be alright  
Just smile for me  
Reminisce the fond memories

I dedicate this one  
To my friend Warwin  
1982-2003  
You'll always be missed  
And also everybody who lost  
Family members, friends  
We miss you  
Y'all will always be remembered
