(Bitch!)Too \$hort

Now break it down to the beat one time!

O! School.Tell ya lil' somethin about Shorty

I'm the East Oakland player, lovers are mooshy
I f**k a different ho a day and leave rubbers and pussy
Bitches keep lookin for some Too \$hort acts
Squeezin on a rubber tryin ta pull it off and make it bust
Bitch might lose her mind if I raw-dig her
Get pregnant, move her in and make Ma and Pa richer
No more player, no Shorty the Pimp
I get payed, divert a cheque and get forty per cent
All the homies talkin bad, hair down, walkin sad
Got the broad livin with me, baby sayin "Dad!"
Sex played out and ol' Shorty's bored getting fat!
Then my bitch turn into a rat
I could try to mack again but the bitches won't want me
Cos I'm all washed up, broke, fat and funky
Short Dawg is through, people call me Todd Shaw
All the rappers who was fake gonna mic, got raw
Ugly hos playin hard-to-get, sold all my cars
Now I ride the bus and shit
I had a '94 Lexus, Rolexes, I sold it all
Now I can't afford breakfast
I lost everything I worked to be
Never thought I'd be a trick, payin hos to serve me
Shit! Snap back came out of my dream
Shit can really happen if you know what I mean?
But f**k a wife biatch, stay away
Don't wanna own a pussy, keep the babies on lay-away
Bitch thought I robbed it, said it was mine
She didn't know I f**ked her with a dildo the whole time
Star-struck bitch seein dollar signs, she think the wad is fine
Playin games so I taught her mine
Tryin to play her prayer got caught in a trap
Learnt a lesson from the game that I taught in my rap

Bitches keep comin up \$hort
F**kin with Too \$hort, Too \$hort
(Bitch!)
REPEAT
