And not once have I thought about havin a wife
Short Dawg in the house, once again
The one you couldn't get with, so i f**ked your friend
Cause I'm a mack, doin what a mack should do
I just scratch, just to make a rap or two
You got to ?? to live, than lay up with me
Can't go to streets, lay up with me
Cause I'm a f**k all night, til I turn you out
If the pussy get dry bitch, work ya mouth
I get a ??? city hoe and take her cash
I break her old funky ass

Lettin you know i'm a pimp you a hoe
Nasty ass bitches, wanna f**k with me
I need money, and Sort don't f**k for free

Chorus:
My nigga don't f**k for free

You gotta have money for the D-O-G

I play bitches, don't you wanna be like Short
First off, I never would trick you hoes
You work hard for my money that I get from shows
And some even ask about my Rolex
Bitch this came from my platinum checks
So break yourself and drop to your knees

And even mangie mutts love to f**k
They ain't scared to make a buck
So bust a nut bitch

Cause if you be with me, I'll have ya workin the streets
Short Dawg
Their ain't no love involved
Do that old ?? shit, and lick my balls
Don't pause cause ya niggas wish you was me
But to be like Short, you don't f**k for free
