(\$hort) Straight pimpin

(Chyna) Check, f**k all that pimp shit

(\$hort) Whatchu say bitch?

Haha, we do it live ya heard me? Haha

(\$hort) I got somethin for yo' ass

(Chyna) Yeah baby, it's all game

(Too \$hort)

I got that old game, but I don't need Viagra

Spit a few lines in no time I'll have ya

If I don't, I find a new bitch

And if you tryin to get back it's useless

I can't do shit, unless you pay me

I been breakin in hoes since the 80's

Ain't nuttin changed, it's still a pimp thang

And if you ain't wit it, you must be insane

(Chyna)

Yeah you might talk like a pimp, walk with a limp

but look - you bout old as the game

Short Dawg shit is all in your name

and f**k dick, cause it all be the same

Shit, I be the one to get in your brain

to make you know you ain't shit

You got a Benz, I got a Jag, so what?

You got hoes, I got niggaz to cut

And I treat 'em like prostitutes and sluts

Take it from Chyna; niggaz ain't shit but dick and nuts

(Too \$hort)

Yeah baby.. I always respect the game

That's why bitches, always let me hit that thang

I hit it good, I hardly ever keep in touch

Top notches, it's hard to believe I f**k

but I did it, every time I see her I get it

I know you heard Short Dawg got digits

Don't forget it, I'm all about the pimp shit

I ain't no sucker with a limp dick

(Chyna)

F**k the dumb shit, niggaz they come quick

9th Ward bitches always get they cunt licked

You know the game, if you get a hoe it's probably from the fame

Ugly niggaz pretty bitches you know the aim

I got niggaz with my name tatted on they chest

And I don't give a f**k about another bitch 'cause I'm the best

Picture Chyna long mink in a stretch

Back to back with a Lex, lettin off tecs, ya heard me?

Chorus: Too \$hort + Chyna White

(\$hort) It ain't the same, shit done changed

New Orleans bitches live against the grain

Oakland niggaz we be off the chain

Chyna White and Too \$hort play the game, whatchu say?

(White) It ain't the same baby, shit done changed baby

What what game recognize game baby

What what all my thugs let 'em hang baby
Chyna White and Too Sheezy off the chain baby (ya heard?)

(Too \$hort)

I been spittin this game since about 2:40
It's a quarter to 3, whatchu gon' do shorty?
Choose on a player or roll with a square
I'm tryin to holla at you, f**k them hoes over there
I wish I could get you outside in my truck
Put my hang between your legs maybe then I'll f**k
You know whassup, I'ma see you next time
droppin sex lines, so I can f**k one time

(Chyna)

Nigga how many times you done seen "The Mack";
How many times you gon' think with your sac
then talk with your genitals?
I run with strictly criminals
Top notch bitches, in drop top sixes
I'm from New Orleans, where bitches put shit in your greens
Bury your drawers, shatter your dreams, make you stop eatin
cabbage and beans, dolla dolla what them know bout the cream
And f**k the worl cause it ain't what it seems (ya heard?)

Chorus Two: Chyna White

It ain't the same baby, shit done changed baby
New Orleans bitches live against the grain baby
Oakland niggaz baby off the chain baby
Chyna White and Too \$hort play the game baby
It ain't the same baby, shit done changed baby
What what game recognize game baby
What what all my thugs let 'em hang baby
Chyna White and Too Sheezy off the chain baby

(Too \$hort)

You know us Oakland niggaz still pimp to this day
Still wear perms with big old waves
Three or four hoes in a mini-van
Ridin round tryin to get all I can
When you see "The Mack," you see my town
If hoes get money we'll be around
Talkin that punk bitch out her chips
Please believe me, don't doubt the shit
I'm still pimpin.. let it ride
