

Too Sorry For Apologies, Starting Over

Chorus

Lets start this over to give me time
To clean up the pain that I've left behind

Verse 1

Today the memories

They run from me

I'm gone

Tonight the photographs

Can't bring this back

You're gone

Chorus

Verse 2

Today, my words aren't enough

They were never enough

For you

Tonight I am counting sheep

And losing sleep

For you

Chorus
