Tool, Hooker With A Penis

١,

met a boy, wearing Vans, 501s, and a dope, beastie-tee, nipple rings, new tattoos, that claimed tha he was OGT, back from '92, from the first EP. And in between sips of coke he told me that he thought we were sellin' out, layin' down, suckin' up to the man. Well now I've got some advice for you, little buddy. Before you point your finger you should know that I'm the man, and if I'm the man, then you're the man, and he's the man as well so you can point that fuckin' finger up your aaaaaaaaaaass!
