[Nurse:] No sir.

[Doctor:] Did someone drop him off?

[Doctor:] Well, let's say hello.  
Good Morning, I'm Dr. Lawson.  
How are you today? How - are - you today?!  
Look son, you're in a safe place.  
We wanna help in whatever way we can.  
But you need to talk to us.  
We can't help you otherwise.  
What's happened? Tell me everything.

[Growling and heavy breathing grows louder]
