

Top Carrots, Who's That Kid In The Drunk?

Who's that kid in the drunk?
u won't know coz he stunks
Which kid is a punk?
that one with a trunk
Which part his in pain?
nevermine, his insane
Why he ain't ashamed?
he don't even know his name
Don't u have a nose?
that's why i can't smell the rose
u ain't afraid of ghost?
can't even get a domain host
u never think of dying?
i rather play or sing
Is it illegal smuggling?
who cares, i only smug a ring
what is your name actually?
that's all carrots u can see
do u have a question to ask me?
i'll just let it be
Are u stupid?
How rapid?
Do u know what im talking about?
oops NO DOUBT
DO U WANT ME TO SCOLD U LOUD?
I only wanted a Guinness Stout
Can u leave now?
But i don't know how
Get out from here!
I WANT A CUP OF BEER
Who the hell are u?
Can u pay my electric bill?
Went are u going to stop?
Please wipe the floor with a mop
Chorus
YO
who's that kid in the drunk?
his talking nonsense all day long
everyone knows he stunks
but he is singing a nice song
(50 seconds bass guiter played by SuperRat)
Slap Slap Slap
Oh no that kid is down!!
he doesn't make a sound
don't u just hang around
but his already on the ground
