

# Tora Tora, One For The Road

I'm lookin' for a girl  
With a sultry stare  
I know it's never perfect  
I know it's not gonna last  
I've been waitin' all year  
Just to get a chance  
Now I've had so many  
I can hardly stand

Well my body's runnin' over  
But my lips want one more  
Now it's easy to see  
Why there is no doubt

Let me buy-y  
One for the road  
Let me buy-y  
One for the road

Hey bartender  
Give us one more round  
Tonight we're gonna get up  
And shoot things down  
Well you better keep on walkin'  
Cause we gave you enough  
I told you once before  
You be-be-be-better slow down

Well my body's runnin' over  
But my lips want one more  
Now it's easy to see  
Why there is no doubt

Let me buy-y  
One for the road  
Let me buy-y  
One for the road

I made last call  
At a quarter to three  
I'm tryin' to drive my pick-up  
While I can't even see  
I tell enough stories  
Of what my life is about  
Then I decided I needed  
one one one more

But the cop that pulls up  
Says, Can I take you home?  
I think you can see  
That there is no doubt

Let me buy-y  
One for the road  
Let me buy-y  
One for the road  
Let me buy-y  
One for the road  
Give me one one one  
One for the road
