

Tora Tora, Riverside Drive

Oh it happens every now and then
Along the banks of the Potamus
When me and the boys gather some toys
And take care of a little bit
Sometimes it's crazy
Sometimes it's hazy
Sometimes it takes all night
In need of perfection
Bring your protection
Cause baby it'll feel so right
I don't remember the town
The town with the big bass sound

We're goin' down
To Riverside Drive
We're goin' down
To Riverside Drive

She's faster than the speed of sound
About the fastest thing I've known
She's been tryin' to make up her mind
Just who to let her take her home
Sometimes I rode in
Sometimes I'm flown in
Sometimes I just don't know
In need of perfection
Bring your protection
Cause you never know what's in store
I don't remember the town
The town with the big bass sound

Chorus
Hit the river

I'm gonna tell ya what I'm gonna do
When the moon stares me in the eye
You're actin' real good like you know you should
And I'll give you a piece of pie
Well sometimes I feel it
Sometimes I steal it
Sometimes I can get it on
In need of perfection
Bring your protection
Cause you're bringin' me down
I don't remember the town
The town with the big bass sound

We're goin' down
To Riverside Drive
We're goin' down
To Riverside Drive
We're goin' down
To Riverside Drive
We're goin' down, down
To Riverside Drive
Ah to Riverside Drive
To Riverside Drive, Drive
To Riverside Drive, Drive
Whooh
