

Tora Tora, She's Good She's Bad

For to long now
I have wanted you
All for me
Cause when I'm down
Ah, you take me
Where I wanna be
I know, oh just what's on your mind
You know you can get it baby
Ooh, with a wink of your eye

She's good when she's bad
She's bad when I'm around
She alone is the reason
My spirit's wild
She's good when she's bad
She gives me what I need
To keep me satisfied

She's in my dream
It's where I feel you
Next to me
But when I see you
Once again, oh
Oh, you're such a tease
I know, oh just what's on your mind
You know you can get it baby
Ooh, with a wink of your eye

Chorus
Oh to keep me satisfied

I know, oh just what's on my mind
You know you can get it baby
Ooh, with a wink of your eye

Chorus

She's good (she's good)
She's bad (she's bad)
Aah yeahh
She's good, she's good
When she's bad
She's bad, oh
When there's a man around
Baby, baby
All the boys in the band
She's good
She's, she's, she's bad
