

# Tori Amos, 1000 Oceans

These tears I've cried  
I've cried 1000 oceans  
And if it seems  
I'm floating in the darkness  
Well, I can't believe that I would keep  
Keep you from flying  
And I would cry 1000 more  
If that's what it takes  
To sail you home  
Sail you home  
Sail you home

I'm aware what the rules are  
But you know that I will run  
You know that I will follow you  
Over silbury hill  
Through the solar field  
You know that I will follow you

And if I find you  
Will you still remeber  
Playing at trains  
Or does this litte blue ball  
Just fade away  
Over silbury hill  
Through the solar field  
You know that I will follow you  
I'm aware what the rules are  
But you know that I will run  
You know that I will follow you

These tears I've cried  
I've cried 1000 oceans  
And if it seems  
I'm floating in the darkness  
Well I can't believe that I would keep  
Keep you from flying  
So I will cry 1000 more  
If that's what it takes  
To sail you home  
Sail you home  
Sail you home  
Sail  
Sail you home
