

# Tori Amos, Cool On Your Island

If you don't treat me  
If you don't...yeah  
If you don't treat me better  
Baby, I'll just run away oh yeah  
Baby, I don't know what drives you  
To play these silly games oh yeah  
hey Come on baby, I'm much stronger than you know  
Sometimes, I'm not afraid to let it show  
When will you wake up  
I want you more than the stars and the sun  
But I can take only so much  
Cool on your island  
Is it cool on your island?  
I got a brand new dress babe  
Could it make you wanna try, oh yeah...  
I guess I didn't want to notice  
The stars gone from your eyes yeah  
Come on baby, I'm must stronger than you know  
Sometimes I'm not afraid to let it show  
When will you wake up  
I want you more than the stars and the sun  
But I can take only so much  
Cool on your island  
Is it cool on your island?  
hey  
We could buy an airplane (yeah yeah)  
Build a home in the sand (yeah yeah)  
You could tell your secrets (yeah yeah)  
I could understand (Yeah yeah)  
But then by the morning (yeah yeah)  
It comes crumbling down (Yeah yeah)  
And as you're leavin'(yeah yeah)  
Wait...  
When will you wake up  
I want you more than the stars and the sun  
But I can take only so much  
Cool on your island  
Is it cool baby  
When will you wake up  
I want you more than the stars and the sun  
But I can take only so much  
Cool on your island  
You're so cool on your island  
Is it cool on your island?  
Is it cool baby yeah  
If you don't treat me better  
Baby I'll just run away cool on your island yeah  
If you don't treat me  
Then one day  
You'll wake up cold yeah  
Then you'll know  
You'll know  
You'll know  
You love me
