

Tori Amos, Cool On Your Island

If you don't treat me
If you don't...yeah
If you don't treat me better
Baby, I'll just run away oh yeah
Baby, I don't know what drives you
To play these silly games oh yeah
hey Come on baby, I'm much stronger than you know
Sometimes, I'm not afraid to let it show
When will you wake up
I want you more than the stars and the sun
But I can take only so much
Cool on your island
Is it cool on your island?
I got a brand new dress babe
Could it make you wanna try, oh yeah...
I guess I didn't want to notice
The stars gone from your eyes yeah
Come on baby, I'm must stronger than you know
Sometimes I'm not afraid to let it show
When will you wake up
I want you more than the stars and the sun
But I can take only so much
Cool on your island
Is it cool on your island?
hey
We could buy an airplane (yeah yeah)
Build a home in the sand (yeah yeah)
You could tell your secrets (yeah yeah)
I could understand (Yeah yeah)
But then by the morning (yeah yeah)
It comes crumbling down (Yeah yeah)
And as you're leavin'(yeah yeah)
Wait...
When will you wake up
I want you more than the stars and the sun
But I can take only so much
Cool on your island
Is it cool baby
When will you wake up
I want you more than the stars and the sun
But I can take only so much
Cool on your island
You're so cool on your island
Is it cool on your island?
Is it cool baby yeah
If you don't treat me better
Baby I'll just run away cool on your island yeah
If you don't treat me
Then one day
You'll wake up cold yeah
Then you'll know
You'll know
You'll know
You love me
