## Tori Amos, Fire-Eater's Wife / Beauty Queen

If you see the Fire-Eater's wife tell her I heard what she said that night

what would this world be like what would this world be like without Nasty girls without Warm words without little wounds

So the Baker's wife told me you gotta find The Monkey Tree' heyheyheyheyheyhey

she's a beauty queen my sweet bean bag in the street take it down out to the laundry scene don't know why she's in my head can't figure what it is but I lie again
