

# Tori Amos, Flying Dutchman

Hey kid I've got a ride for you  
They say your brain is a comic book tattoo  
and you'll never be anything  
What will you do with your life  
Oh thats all you hear from noon till night  
Take a trip on a rocket ship baby  
The sea is the sky  
I know the guy who runs the place and he's out of sight  
Flying Dutchman  
Are you out there Flying Dutchman  
Straight suits they don't understand  
She tried that one with the alligator boots  
but the other side drew her in  
Heart falling fast when she left  
Even the milky way was dressed in black  
Take a trip on a rocket ship baby  
The sea is the sky  
I know the guy who runs the place and he's out of sight  
Flying Dutchman  
Are you out there Flying Dutchma  
Cuz they can't see what you're born to be  
They can't see me  
They can't be what they can't believe  
They can't see what you see  
Keep the boys spinning in their own little world  
Tie them up so they won't say a word  
Keep the boys spinning in their own little world  
So afraid you'll be what they never were  
Take a trip on a rocket ship baby  
The sea is the sky  
I know the guy who runs the place and he's out of sight  
Flying Dutchman  
Are you out there Flying Dutchman  
Cuz they can't see...
