

# Tori Amos, God

God sometimes you just don't come through  
God sometimes you just don't come through  
Do you need a woman to look after you  
God sometimes you just don't come through

You make pretty daisies pretty daisies  
Love I gotta find what you're doing about things  
Here a few witches burning  
Gets a little toasty here  
I gotta find why you always go when the wind blows  
Tell me you're crazy maybe then I'll understand  
You got your 9 iron in the back seat  
Just in case  
Heard you're gone south well  
Babe you love your new 4 wheel  
I gotta find why you always go when the wind blows

Will you even tell her if you decide to make the sky fall  
Will you even tell her if you decide to make the sky

God sometimes you just don't come through  
God sometimes you just don't come through  
Do you need a woman to look after you  
God sometimes you just don't come through  
Do you need a woman to look after you  
God sometimes you just don't come through
