

# Tori Amos, God (The Thinking Mix)

Ooo hoo, ooo hoo  
God, sometimes you just don't come through  
God, sometimes you just don't come through  
Do you need a woman to look after you?  
God sometimes you just don't come through

You make pretty daisies pretty daisies  
I gotta find find find what you're doing about things here  
A few witches burning gets a little toasty  
(Hey what do you know what do you know)  
I gotta find find find find where you always go when the wind blows

God sometimes you just don't come through  
God sometimes you just don't come through, babe  
Do you need a woman to look after you?  
God sometimes you just don't come through

Well tell me you're crazy, maybe then I'll understand  
(Come down and tell me the truth)  
You got your nine iron in the backseat just in case  
I heard you've gone south, well babe, you love your new four wheel  
(Hey what do you know what do you know?)  
I gotta find where you always go when the wind blows

will you even tell her if you decide to make the sky fall  
will you even tell her if you decide to make the sky

God sometimes you just don't come through  
God sometimes you just don't come through, babe  
Do you need a woman to look after you?  
God sometimes you just don't come through
