Tori Amos, Heart Attack At 23

sirens wake me up wake me up with a cry things we do for attention... just a little reminder dear i am still alive so confused i almost threw it all away for you you took me higher and you dropped me lower than i've ever been before if i have a heart attack at 23 i'm loving you too much if i have a heart attack at 23 wave bye-bye you'll miss me you'll miss me baby if i have a heart attack at 23 all my friends we waste so much love on our men why can't i be forgiving while he been out a-messin' with his argentine baby if i have a heart attack at 23 i'm loving you too much if i have a heart attack at 23 wave bye-bye you'll miss me you'll miss me baby if i have a heart attack at 23 i must be dreaming we were together in a land of scarlet ribbon that tied you to me darlin' roll roll roll roll on

roll roll roll roll on but you know i'm never satisfied with all the good things in my life i thought i needed you to be strong i'll still miss you when i'm gone

if i have a heart attack at 23 i'm loving you too much if i have a heart attack at 23 wave bye-bye you'll miss me you'll miss me baby if i have a heart attack at 23
