

# Tori Amos, Keep This Fire Burning

All right  
Even when you don't know  
I'll be by your side  
Even when you think you're all alone  
I'll be by your side  
He-ey you  
I'll be right behind you  
Keep on going  
Down we travel  
When the wind is blowing  
I will be there till the world stops turning  
Baby I will keep this fire burning  
When nobody else is  
I am on your side  
Oh yeah  
Baby when you're not even yourself  
I am on your side  
I'll be right behind you...  
Fire  
Even when you've lost your faith in love  
Even when there is no light above  
Even when you wanna go home and hide  
I'll be on your side  
I'll be on your side  
Come on  
I don't even think about  
How far I'm about to go  
If you put your twist in me  
I'll keep it coming  
Aint nobody stopping me  
When it comes to you and me  
Nothing's like it used to be  
I'll keep it burning  
I'll be right behind you...  
I'm your sister  
All right  
I'll be your brother  
Keep it coming  
I'll be your friend  
I'll be your everything  
I'll be your lover  
Just you and me  
Yeah  
Keep it coming  
Baby I will keep this fire burning
