

Tori Amos, My Posse Can Do

I don't know what you've been playin'
I don't know why I've been stayin'
I got me some better things to do

I do mind what you been sayin'
I don't know why I've been stayin'
I got me some better things to do
Boys, you give me the beat

Tippy tippy ty
Tippy tippy toe
Tippy tippy ty all over the world
There be things that my posse can do
Oh Boy yeah

Tippy tippy ty
Tippy tippy toe
Tippy tippy ty all over the world
There be things that my posse can do

Save yourself the lie
I see it in your eyes
You've been having you a wonderful crime
She can flip her hair
I can flip you off
You got talents
But baby I'm thinking they're not enough

I don't know what you've been playin'
I don't know why I've been stayin'
I got me some better things to do

I don't do so well in traffic
Or with leaders who don't have it
I got me some better things to do
Boys, you give me the beat

Tippy tippy ty
Tippy tippy toe
Tippy tippy ty all over the world
There be things that my posse can do

Tippy tippy ty
Tippy tippy toe
Tippy tippy ty all over the world
There be things that my posse can do

A formula one racer or the pope
Presidential posts you say aren't for girls
That's the way it's been up until today
There's another way
Maybe this girl's got a taste to misbehave

I don't know what you've been playin'
I don't know why I've been stayin'
I got me some better things to do

Brothers I say hallelujah
You proselytize and compute
All them things that your posse can do
Boys, you give me the beat

Tippy tippy ty
Tippy tippy toe

Tippy tippy ty all over the world

Tippy tippy ty
Tippy tippy toe
Tippy tippy ty all over the world

Tippy tippy ty
Tippy tippy toe
Tippy tippy ty all over the world
There be things that my posse
There by things
There things that my posse can do

Boys, you give me the beat
