

Tori Amos, Pain In My Hole

I've got a pain in my hole,
And it could be this boy i know,
Or it could be,
Some big man in a suit somewhere,
Could be that fifteen percent i got sitting at his desk,
After all them royalties,
Trying to be,
Could be that boy,
That i buy furniture for his sweet sweet little penis,
Could be all these boys,
Want to shit off me,
I said...
I said...
I said...
One thing darling,
Beautiful men,
When you think all the chicks are taken,
Let me say one thing,
You ain't getting my bse.
