

# Tori Amos, Raspberry Swirl

I am not you senorita  
I am not from your tribe  
In the garden I did no crime  
I am not your senorita  
I am not from your tribe  
If you want inside her  
Well,  
Boy you better make her raspberry swirl  
Things are getting desperate  
When all the boys can't be men  
Everybody knows  
I'm her friend  
Everybody knows  
I'm her man  
Things are getting desperate  
When all the boys can't be men  
Everybody knows  
I'm her friend  
Everybody knows  
I'm her man  
I am not your senorita  
I don't aim so high  
IM my heart I did no crim  
If you want inside her well,  
Boy you better make her raspberry swirl  
Things are getting desperate  
When all the boys can't be men  
Everybody knows  
I'm her friend  
Everybody knows  
I'm her man  
Things are getting desperate  
When all the boys can't be men  
Everybody knows  
I'm her friend  
Everybody knows  
I'm her man
