

# Tori Amos, Sleeps With Butterflies

## Airplanes

Take you away again  
Are you flying  
Above where we live  
Then I look up a glare in my eyes  
Are you having regrets about last night  
I'm not but I like rivers that rush in  
So then I dove in  
Is there trouble ahead  
For you the acrobat  
I won't push you unless you have a net

You say the word  
You know I will find you  
Or if you need some time  
I don't mind  
I don't hold on  
To the tail of your kite  
I'm not like the girls that you've known  
But I believe I'm worth coming home to  
Kiss away night  
This girl only sleeps with butterflies  
With butterflies  
So go on and fly then boy

## Balloons

Look good from on the ground  
I fear with pins and needles around  
We may fall then stumble  
Upon a carousel  
It could take us anywhere

I'm not like the girls that you've known  
But I believe I'm worth coming home to  
Kiss away night  
This girl only sleeps with butterflies  
With butterflies  
With butterflies  
So go on and fly boy
