

# Tori Amos, Space Dog

Way to go Mr. Microphone  
Show us all what you don't know  
Centuries secret societies  
He's our commander still  
Space Dog

So sure we were on something  
Your feet are finally on the ground  
He said so sure  
We were on something  
Your feet are just on the ground girl

Rain and snow our engines have been receiving  
Your eager call there's colonel Dirtyfishydishcloth  
He'll distract her good don't worry so

And to the one you thought was on your side  
She can't understand she truly believes the lie

Lemon Pie  
He's coming through  
Our commander still  
Space Dog  
Lines secure  
Space Dog

Deck the halls I'm young again  
I'm you again  
Racing turtles  
The grapefruit is winning  
Seems I keep getting this story twisted  
So where's Neil when you need him  
Deck the halls it's you again  
It's you again  
Somewhere someone must know the ending  
Is she still pissing in the river  
Now heard she'd gone  
Moved into a trailer park

So sure we were on something  
Your feet are finally on the ground  
He said so sure  
We were on something  
Your feet are just on the ground girl

So sure we were on something  
Your feet are finally on the ground  
He said so sure  
We were on something  
Your feet are just on the ground girl
