

Tori Amos, Sugar

Don't say morning's come
Don't say it's up to me
If I could take 25 minutes
Out of the record books
Sugar, he bring's me sugar
Bobby's collecting bees
and hammers he used one on me
Cold war with little boys
Get in with a bubble gum trade and
Sugar, bring me sugar
I know the robins bring
Bring me many things but
Sugar, bring me sugar
Bring me sugar
As far as I can see him
I've been gone for miles now
And you know, and I know
I don't know me very well
And you know, and I know
If they found me out
You just watch what they do
Sweet boy when they find you out
tell me what you're gonna do
tell me what you're gonna do
when they find you out
Find out, you're just a pussy
my sweet boy, my
Sugar, he brings me sugar
And all the robins bring
They bring me many things but
Sugar, he brings me sugar
And all the robins bring
They bring many things but
Sugar
Oh sugar
Sugar
Sugar
Sugar
